## Education

### Aditya College of Engineering

BTech (GPA: 8.0 / 10)

Expected May 2025

surampalem, Andhrapradesh

### Sri Prakash Junior college

intermediate(MPC) CGPA:9.6

2021

Tuni, andhra pradesh

### Sriprakash vidya niketan

10th CGPA:10

2019

Tuni, andhra pradesh

## Experience

### Hyper verge academy

Feb 2023 – July 2024

web developer fellow

- Completed a 6-month internship with 1:1 mentor support, gained proficiency in HTML, CSS, and JavaScript, and developed many real-time applications.
- Participated in daily stand-up calls and bi-weekly reflection sessions, following Agile methodology, getting habituated to software development practices.

### TechnicalHub

June 2024 – Aug 2024

ServiceNow Intern

- Gained practical experience in configuring, customizing, and maintaining ServiceNow instances to optimize operational workflows.
- Supported ServiceNow platform users by troubleshooting 20+ issues, creating detailed reports, and implementing modules to enhance operational efficiency.

## Projects

### Myntra Stylebuddies page | ReactJS, Github actions

- Developed Myntra stylebuddies Page, a React-based community feature, enabling users to post curated outfits, access a camera page, and engage in a leaderboard with rewards. Focused on a responsive UI with interactive elements, excluding backend development.

### Loner Request Application | Service now

- Developed a ServiceNow app to automate loaner item requests using ServiceNow Studio tools, integrating real-time tracking, role-based access, flow designers, scripting, and automated processes to enhance operational efficiency and maintainability.

### RecipeFinder using SQL | HTML, CSS, JavaScript, SQL (joins, normalization, indexing), CRUD

- Built a Web Application using HTML, CSS, JavaScript, and SQL to allow users to input ingredients and find matching recipes instantly

## Technical Skills

Languages: python, java, javascript

Technologies: React.js, HTML, CSS

Cloud: Google DevOps

Tools: Git, servicenow
